VOLUME 6

SEPTEMBER, 1992

Edited by G. M. Williams, Greensboro, North Carolina

FROM YOUR EDITOR:

Thank you Douglas, Georgia folks for a super family reunion in 1991. You really went all out to make it a great affair, and it was. You get the high attendance award for the most people than at any previous reunion, estimated at over 150. There were many first time attendees. For those of you who did not attend, you missed a treat.

There are some sheets available in the hospitality room for each family members to complete so that we can have a family tree completed by the 1993 family reunion. Each family member, regardless of age, should submit one of these forms. If you know of members who are not present, please take one back to them and ask them to mail the form to Gertrude Williams, 2307 Yorkshire Drive, Greensboro, NC 27406. This is very important to preserving the history of the Moore Family. Please help us to collect as much information as possible.

There is a Change of Address form in your Moore Address Book as well as in the Hospitality Room. Please give us your new address if you have moved. The following letters were returned undelivered this year:

Margaret A. Belton of Richmond, VA
Jimmie Felder
